- The Board has received the resignation of Kendra Guber from the Board of Directors. Kendra has put forth considerable effort over her term and will be missed. We thank you for your effort and wish you well. The Board of Directors is soliciting interested owners who are willing to complete her term. This term expires at the end of 2009 so the commitment is for one year. The Board is extremely interested in anyone who has experience in dealing with VDOT and perhaps possesses a background in civil engineering. If you are willing to serve and interested in being considered for this position please respond to [prightmyer@armstrong.net](mailto:prightmyer@armstrong.net).
- The Board of Directors competitively bid the trash removal contract for the Association this year and decided to change contractors. Patriot Trash Disposal has been chosen to begin the trash removal service beginning January 1, 2009. AAA Trash service will perform their last trash pick up on Monday, December 29, 2008. After they perform that pick up they will collect their trash and recycling container. Patriot Disposal has planned to distribute their containers before Christmas. Please do not use them until they begin trash collection in 2009.
