Covenant for Maintenance Assessments

Section 1. Creation of the Lien and Personal Obligation of Assessments. The Declarant, for each Lot owned within the Property, hereby covenants, and each Owner of any Lot by acceptance of a deed therefor, whether or not it shall be so expressed in such deed, is deemed to covenant and agree to pay to the Association: (1) annual assessments or charges, (2) Services Assessments, and (3) special assessments for capital improvements, such assessments to be established and collected as hereinafter provided. The annual, services and special assessments, together with interest, late charges, costs, and reasonable attorneys' fees, shall be a charge on the Lot (including all improvements thereon), and shall be a continuing lien upon the Property against which each such assessment is made. Each such assessment, together with interest, late charges, costs, and reasonable attorneys' fees, shall also be the personal obligation of the person who was the Owner of such property at the time when the assessment fell due. The personal obligation for delinquent assessments shall not pass to his successors in title unless expressly assumed by them. No owner may waive or otherwise escape liability for the assessments provided for herein by non-use of the Common Area or abandonment of his Lot or any Dwelling Unit thereon.

Section 2. Purpose of Assessments. The annual assessments and Services Assessments levied by the Association shall be used exclusively to promote the recreation, health, safety, and welfare of the residents in the Property and for the improvement and maintenance of the Common Area, its facilities, any private streets and easement areas.

Section 3. Basis and Maximum of Annual Assessments. Until January 1 of the year immediately following the conveyance of the first Lot to an Owner, the maximum annual assessment

shall be Four Hundred Dollars (\$400.00) for Class A members, other than Participating Builders. The Class B member and Participating Builders shall pay 25% of the Class A member assessment and the Class B member covenants and agrees to fund any budget operating deficits until the Class B member (Declarant) has conveyed 75% of said Lots to Owners (other than Declarant and Participating Builders). Notwithstanding the foregoing, Declarant and Participating Builders shall pay full assessments on all Lots owned by Declarant or Participating Builders upon which a dwelling unit has been completed and is occupied.

(a) From and after January 1 of the year immediately following the conveyance of the first Lot to an Owner, the maximum annual assessment may be increased by the Board of Directors, without a vote of the Class A membership, by an amount equal to ten percent (10%) of the maximum annual assessment for the preceding year plus the amount by which any ad valorem real estate taxes and insurance premium payable by the Association have increased over amounts payable for the same or similar items for the previous year.

(b) From and after January 1 of the year immediately following the conveyance of the first Lot to an Owner, the maximum annual assessment may be increased above ten percent (10%) by vote of at least two-thirds (2/3) of each class of members who are voting, in person or by proxy, at a meeting duly called for this purpose.

(c) The Board of Directors may from time to time fix the annual assessment at an amount not in excess of the maximum.

(d) The amount of the Services Assessment may be determined and levied by the Board of Directors against the Lots in a particular area(s) or portion(s) of the Property according to the estimated cost of providing services or rights of use to said Lots, which services or rights are not enjoyed by all of the members of the Association and are primarily for the benefit of the members owning said Lots. The amount of the Services Assessment shall be the same for each Lot in any such area according to the number of Lots located within such area but need not be uniform with the Services Assessment imposed upon Lots in other area(s) of the Property.

Section 4. Special Assessments for Capital Improvements. In addition to the annual assessments and Special Assessments authorized above, the Association may levy, in any assessment year, a special assessment applicable to that year only for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of a capital improvement upon the Common Area, including fixtures and personal property related thereto, provided that any such assessment shall have the assent of at least two-thirds (2/3) of the votes of each class of members who are voting in person or by proxy at a meeting duly called for this purpose.

Section 5. Notice and Quorum for any Action Authorized Under Section 3 and 4. Written notice of any meeting called for the purpose of taking any action authorized under Section 3 or 4 shall be sent to all members not less than thirty (30) days not more than sixty (60) days in advance of the meeting. At the first such meeting called, the presence of members or of proxies entitled to cast sixty percent (60%) of all the votes of each class of membership shall constitute a quorum. If the required quorum is not present, additional meeting maybe called subject to the same notice

requirement and the required quorum at the subsequent meeting shall be one-half (1/2 of the required quorum at the preceding meeting. No such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 6. Uniform Rate of Assessment. Except as otherwise provided in Section 3 of this Article IV, both annual and special assessments must be fixed at a uniform rate for all Lots and may be collected in advance on a monthly or quarterly basis. Services Assessments shall be the same for each Lot within a particular area of the Property, as set forth in Section 3(d) above, and will be collected in installments as determined by the Board.

Section 7. Date of Commencement of Annual Assessments: Due Dates. The annual assessments provided for herein shall commence as to all Lots on the first day of the month following the conveyance of any portion of the Common Area to the Association. The first annual assessment shall be adjusted according to the number of months remaining in the calendar year. The Board of Directors shall fix the amount of the annual assessment against each Lot at least thirty (30) days in advance of each annual assessment period. Written notice of the annual assessment shall be sent to every Owner subject thereto. The due dates shall be established by the Board of Directors. The Association shall, upon demand, and for a reasonable charge, furnish a certificate signed by an officer for the Association setting forth whether the assessments on a specified lot have been paid. A properly executed certificate of the Association with the status of assessments on the Lots shall be binding on the Association on the date of its issuance.

Section 8 Effect of Non-Payment of Assessments: Remedies of the Association. Any assessment not paid within thirty (30) days after the due date shall be assessed a late fee and shall bear interest from the due date at a rate of ten percent (10%) interest per annum or such greater amount as may be determined by the Board of Directors and the Owner obligated for such assessment shall also be liable for all reasonable costs and expenses, including reasonable attorneys fees incurred by the Association in attempting to collect said assessment and/or enforce its lien. The Association may bring an action at law against the Owner personally obligated to pay the same, or foreclose the lien against the Lot (and all improvements thereon). No Owner may waive or otherwise escape liability for the assessments provided for herein by non-use of the Commons-Area or abandonment of his Lot.

Section 9. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage or deed of trust. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot pursuant to mortgage or deed of trust foreclosure or any proceeding in lieu thereof, shall extinguish the lien of such assessments as to payments which became due prior to such sale or transfer. No sale or transfer shall relieve such Lot from liability for any assessments thereafter becoming due or from the lien thereof. No amendment to this Section shall affect the rights of the holder of any first mortgage on any Lot (or the indebtedness secured thereby) recorded prior to recordation of such amendment unless the holder thereof (or the indebtedness secured thereby) shall join in the execution of such amendment.

Section 10. Exempt Property. The following property subject to this Declaration shall be exempt from the assessments created herein:

(a) all properties dedicated to and accepted by a local public authority;

(b) the Common Area; and

(c) all properties owned by a charitable or non-profit organization exempt from taxation by the laws of the Commonwealth of Virginia, provided that no land or improvements devoted to dwelling use shall be exempt from said assessments.

Section 11. Reserves for Replacements. The Association shall establish and maintain a reserve fund for replacements of the Common Area by the allocation and payment monthly to such reserve fund of an amount to be designated from time to time by the Board of Directors. Such fund shall be conclusively deemed to be a common expense of the Association and may be deposited in any banking institution, the accounts of which are insured by any State or by an agency of the United States of America or may, in the discretion of the Board of Directors, be invested in obligations of, or fully guaranteed as to principal by, the United States of America. The reserve for replacements of the Common Area may be expended only for the purpose of affecting the replacement of the Common Area, major repairs to or replacement of any equipment, and for start-up expenses and operating contingencies of a non-recurring nature relating to the Common Area. The Association may establish such other reserves for such other purposes as the Board of Directors may from time to time consider to be necessary or appropriate. The proportional interest of any member in any such reserves shall be considered an appurtenance of his Lot and shall not be separately withdrawn, assigned or transferred or otherwise separated from the Lot to which it appertains and shall be deemed to be transferred with such Lot.

Section 12. Initial Working Fund. The Board of Directors shall levy an "initial" assessment against the Owner of a Lot other than a Participating Builder who is a Class "A" member at the time of conveyance. Such initial assessment shall be in an amount equal to two (2) months of the Annual Assessment levied by the Association at the time of conveyance, and shall be used for commencing the business of the Association or any other purpose established by the Board of Directors.

ARTICLE V

Section 1. Building Restrictions. No building, fence, wall or other structure shall be commenced, erected or maintained upon the Property, nor shall any exterior addition to or change or alternation therein be made (including change in color) until the plans and specifications showing the nature, kind, shape, height, materials, and location of the same shall have been submitted to and approved in writing as to harmony of external design and location in relation to surrounding structures and topography by the Architectural Review Board ("Review Board").

Section 2. Composition of Review Board. The Review Board shall be comprised of three (3) or more members appointed by the Board of Directors. Members shall serve staggered three (3) year terms as determined by the Board of Directors. Members of the Review Board may be removed by the Board of Directors with or without cause. Appointments to fill vacancies in unexpired terms shall be made in the same manner as the original appointment.

Section 3. Officers. At the first meeting of the Review Board following each Annual Meeting of Members, the Review Board shall elect from among themselves a Chairman, a Vice Chairman and a Secretary who shall perform the usual duties of their respective offices.

Section 4. Duties of Review Board. The Review Board shall regulate the external design, appearance and locations of the Property and improvements thereon in such a manner so as to preserve and enhance values and to maintain harmonious relationship among structures and the natural vegetation and topography. In furtherance thereof, the Review Board shall:

(a) Review and approve, modify or disapprove, within sixty (60) days, all written applications of Owners for improvements or additions to Lots or for modifications and changes to the improvements to the Lots. All applications not acted upon within sixty (60) days shall be deemed approved.

(b) Periodically inspect the Property for compliance with architectural standards and approved plans for alteration;

(c) Adopt architectural standards subject to the confirmation of the Board of Directors;

(d) Adopt procedures for the exercise of its duties; and

(e) Maintain complete and accurate records of all actions taken.

Section 5. Appeal. Any aggrieved party may appeal a decision of the Review Board to the Board of Directors.

Section 6 Declarant Exempt. Notwithstanding any provision of this Declaration to the contrary, the provisions of this Article V shall not be applicable to the Declarant or any part of the Property owned by the Declarant, or to any Lot owned by a Participating Builder provided that the Declarant shall have first approved the plans of the Participating Builder in writing.

ARTICLE VI

Use Restrictions

In addition to all other covenants contained herein, the use of the Property and each Lot therein is subject to the following:

Section 1. The Lots shall be used for residential purposes exclusively, and no building shall be erected, altered, placed or permitted to remain on any such Lot other than one used as a single-family dwelling. The terms "dwelling" and "dwelling unit," as used in this Declaration, shall include a townhouse. Nothing contained in this Article VI or elsewhere in this Declaration shall be construed to prohibit the Declarant or Participating Builder from the use of any Lot or dwelling, or improvement thereon, for promotional or display purposes, or as "model homes," a sales office, or the like.

Section 2. Except as may be permitted by Section 1 of this Article VI, no part of the Property shall ever be used or caused to be used or allowed or authorized in any way, directly or indirectly, for any business, commercial, manufacturing, mercantile, storing, vending, or other such non-residential purposes, except Declarant and Participating Builder may use the Property for model home sites and display and sales offices during the construction and sales period.

Section 3. No sign or billboard of any kind shall be displayed to the public view on any portion of the Property or any Lot.

Section 4. No noxious or offensive activity shall be carried on upon any Lot or any part of the Property, nor shall anything be done thereupon which may be, or may become, an annoyance or nuisance to the neighborhood, or which shall in any way unreasonably interfere with the quiet enjoyment of each of the Owners of his respective dwelling unit, or which shall in any way increase the rate of insurance.

Section 5. No structure of a temporary character, trailer, basement, tent, shack, garage, barn or other out-building shall be used on any Lot at any time as a residence either temporarily or permanently. Except for Declarant's and Participating Builder's construction or sales purposes, no

trailer, camper, boat or similar equipment shall be permitted to remain upon the Property.

Section 6. No commercial, industrial or recreational vehicle (including boats) shall be parked on the Property without the written consent of the Board of Directors. No motorized vehicle may be used or maintained on the yards or sidewalk of any Lot or Common Area and no unlicensed vehicles are allowed on the Property. The Board of Directors shall have the right to tow any improperly parked vehicle or any vehicle, the keeping or parking of which in the Common Area violates this Declaration upon forty-eight (48) hours' notice.

Section 7. The Board of Directors shall have the right to tow any junk vehicle or other vehicle on which current registration plates are not displayed, which is within any Lot or on any part of the Common Area upon forty-eight (48) hours notice. The repair or extraordinary maintenance of automobiles or other vehicles shall not be carried out on any of the Lots or Common Areas.

Section 8. No animals, livestock or poultry of any kind shall be raised, bred or kept on any Lot, except that dogs, cats or other household pets may be kept on the Lot subject to such rules and regulations as may be adopted by the Association and provided they are not kept, bred, or maintained for any commercial purpose, or in unreasonable numbers. Notwithstanding the foregoing, no animals or fowl may be kept on the Property which result in an annoyance or are obnoxious to residents in the vicinity. Pets must be leashed while on the Property and all pet waste shall be collected and disposed by the Owner.

Section 9. All rubbish, trash and garbage shall be regularly removed from the Property, and shall not be allowed to accumulate thereon. All clotheslines, refuse containers, wood piles, storage areas and machinery and equipment shall be prohibited upon any Lot, unless obscured from view of adjoining Lots and streets by a fence or appropriate screen approved by the Review Board. Nothing herein shall be deemed to apply to the storage on the Property by Declarant or Participating Builder of building materials during, and for use in, the construction of the improvements on the Property.

Section 10. Subject to applicable federal law, no outside radio aerial, television, satellite dish or other aerial, or antenna for receiving or transmitting antennae or external apparatus shall installed or maintained on any Lot without the prior written approval of the Architectural Review Board. Normal radio and television installations wholly within a building are excepted.

Section 11. All Owners and occupants shall abide by the By-laws and any rules and regulations adopted by the Association. Rules and regulations shall be adopted and enforced pursuant to the Virginia Property Owners' Association Act. Any Owner, his tenants, guests or other invitees who violates the restrictions of this Declaration or the rules and regulations adopted by the Board of Directors shall be assessed a charge pursuant to Section 55-513 of the Virginia Property Owners' Association Act.

Section 12. Any lease agreement between a Lot Owner and a lessee shall provide that the terms of the lease are subject in all respects to the provisions of this Declaration, and the Articles of Incorporation and Bylaws of the Association, and that any failure by the lessee to comply with the terms of such documents shall be a default under the lease. All such leases shall be in writing and shall be for a term of not less than six (6) months.

Section 13. No hardwood trees measuring in excess of six (6) inches in diameter at a height of two (2) feet above the ground shall be removed from any Lot without written approval of the Association acting through the Architectural Review Board.

Section 14. Fences shall be erected only in the rear yard of any Lot and shall not extend beyond the rear building line of a dwelling. Fences may not be erected on any Lot without the express written permission of the Architectural Review Board.

Section 15. No play equipment, including, without limitation, basketball backboard, basketball hoops and other equipment associated with either adult or juvenile recreation, shall be attached in any manner to the exterior of any dwelling constructed on a Lot or otherwise within any Lot.

Section 16. None of the foregoing restrictions shall be applicable to the activities of:

(a) Declarant, its officers, employees, agents or assigns, in their development, marketing and sale of Lots or other parcels within the Property; or

(b) To the Association, its officers, employees and agents, in connection with the proper maintenance, repair, replacement and improvement of the Common Areas and its facilities; or

(c) Any Participating Builder designated by the Declarant, its officers, employees, agents or assigns in their development, marketing and sale of Lots or other parcels within the Property.

Section 17. During reasonable hours the Declarant, any member of the Review Board, or member of the Board of Directors, or any other representative of any of them, shall have the right to enter upon and inspect any Lot for the purpose of ascertaining whether or not the provisions of these restrictions have been or are being complied with, and such persons shall not be deemed guilty of trespass by reason of such entry.

ARTICLE VII

Exterior Maintenance

Each Owner shall keep each Lot owned by him, and all improvements therein or thereon, in good order and repair and free of debris, including but not limited to *the* seeding, watering and mowing of all lawns, the pruning and cutting of all shrubbery, and the painting (or other appropriate external care) of all buildings and other improvements, all in a manner and with such frequency as is consistent with good property management. In the event an Owner of any Lot in the Property shall fail to maintain the Lot and the improvements situated thereon, as provided in the Bylaws and approved by vote of the Board of Directors, the Association shall have the right to enter upon said Lot to correct drainage and to repair, maintain and restore the Lot and the exterior of the buildings and any other improvements erected thereon. All costs related to such correction, repair or restoration shall become a lien upon such Lots and such lien may be enforced in the same manner as an annual assessment levied in accordance with Section 8, Article IV hereof. Any such lien shall be subordinate to the lien of any first mortgage or deed of trust. Sale or transfer of any lot shall not affect such lien. However, the sale or transfer of any Lot pursuant to mortgage or deed of trust foreclosure or any proceeding in lieu thereof, shall extinguish any such lien as to payments which became due prior to such sale or transfer. No sale or transfer shall relieve such Lot from liability for any assessments thereafter becoming due or from the lien thereof. No amendment to this Article VII shall affect the rights of the holder of any first mortgage on any Lot (or the indebtedness secured thereby); recorded prior to the recordation of such amendment unless the holder thereof shall join in the execution of such amendment.

ARTICLE VII

Management

Section 1. Management Agent. The Board of Directors may (but shall not be required to) employ for the Association a management agent or manager (the "Management Agent") at a rate of compensation established by the Board of Directors to perform such duties and services as the Board of Directors shall from time to time authorize in writing. The Management Agent shall perform such duties and services as the Board of Directors shall authorize in writing.

Section 2 Duration of Management Agreement. In the event any management agent is employed, any management agreement entered into by the Association shall provide inter alia that such agreement may be terminated with or without cause by either party on thirty (30) days' written notice thereof to the other party. The term of any such management agreement may be renewable by mutual agreement of the parties for successive one (1) year periods.

Section 3. Limitation of Liability. The Association shall not be liable for any failure of any services to be obtained by the Association or paid for out of the common expense funds, or for injury or damage to person or property caused by the elements or resulting from water which may leak or flow from any portion of the Common Areas or its facilities, or from any wire, pipe, drain, conduit or the like. The Association shall not be liable to any member for loss or damage, by theft or otherwise, of articles which may be stored upon the Common Areas or its facilities. No diminution or abatement of assessments, as herein elsewhere provided for, shall be claimed or allowed for inconvenience or discomfort arising from the making of repairs or improvements to the Common Areas or its facilities, or from any action taken by the Association to comply with any of the provisions of this Declaration or with any law or ordinance or with the order or directive of any municipal or other governmental authority.

ARTICLE IX

General Provisions

Section 1. Enforcement. The Association, or any Owner, or any mortgagee of any Lot shall have the right to enforce, by any proceeding at law and/or in equity, all restrictions, conditions, covenants, reservations, liens, charges or other obligations or terms now or hereafter imposed by the provisions of this Declaration, or the Articles of Incorporation or Bylaws of the Association. Failure by the Association or by any Owner or by any mortgagee of any Lot to enforce any covenant or restrictions herein contained or any provision of the Bylaws or Articles of Incorporation of the Association shall in no event be deemed a waiver of the right to do so thereafter. There shall be and there is hereby created and declared to be a conclusive presumption that any violation or breach or attempted violation or breach of any of the within covenants or restrictions or any provision of the Bylaws or Articles of Incorporation of the Association cannot be adequately remedied by action at law or exclusively by recovery of damages.

Section 2. Severability. Invalidation of any one of these covenants or restrictions by judgment or court order shall in no way affect any other provisions, which shall remain in full force and effect.

Section 3. Duration. Except where permanent easements or other permanent rights or interests are herein created, the covenants and restrictions of the Declaration shall run with and bind the land for a term of twenty (20) years from the date this Declaration is recorded, after which time they shall be automatically extended for successive periods of twenty (20) years each.

Section 4. Amendment. Subject to the other limitations set forth in this Declaration, this Declaration may be amended during the first twenty (20) years after it is recorded only by an instrument executed and acknowledged by not less than ninety percent (90%) of the Owners. After the first twenty (20) years this Declaration may be amended by an instrument executed and

acknowledged by not less than seventy-five percent (75%) of the Owners. The amendment instrument shall be recorded among the Land Records for the jurisdiction in which this Declaration is recorded.
